Bio:

Garry has advanced accountancy and Audit experience combined with business experience and a sound contemporary exposure to information Technology, Risk & Corporate Governance. He has more than 30 years' experience in business, working at senior executive and board levels.

He was a Senior Partner of Ernst and Young for 25 years. Garry has in-depth experience in how to effectively navigate the complexities of the present business environment and has filled a senior and trusted advisory role with a large number of leading companies in Australia and internationally.

Among his achievements within the practice were growing Ernst & Young's Information Systems Assurance & Advisory Services (ISAAS) practice from commencement to over 100 personnel nationally and its Financial Modeling Advisory Group from 2 to more than 30 personnel in Sydney & Melbourne.

His last role was the development of Ernst & Young's Risk Advisory Services practice in the Strategic Growth Market, concentrating on middle market & high growth entrepreneurial companies.

Garry retired from the partnership in December 2008 to pursue a non executive director/advisory career.

Garry works with BCA in an Executive Coaching role and is an accomplished facilitator with Boards wanting to review their practice and/ or enhance performance. His specialties are risk management, Board Planning, financial monitoring and reporting.
