Developed by etrainu, National Disability Services (NDS) and projectABLE, the Let's Talk Disability Bundle covers online training for disability awareness. These eLearning courses cover a variety of topics to ensure that everyone is part of the conversation.

If you are interested in other training options, including [face-to-face training](#) or live, online workshops, then please contact info@letstalkdisability.com.au for further information.

Courses available as part of this package

Myths and Misconceptions

- 20 minutes (self-paced)
- eLearning

The first course in the Disability Awareness course, Myths and Misconceptions, dismantles common stereotypes and misbeliefs about people with disability.

Learners will see how they can be better allies to people with disability.

How to Foster True and Meaningful Inclusion

- 20 minutes (self-paced)
- eLearning

What does true and meaningful inclusion mean?

The second course in the Disability Awareness training looks at how we are responsible for inclusion—and what we can do to build a more inclusive world.

The Impact of Barriers for People with Disability

- 20 minutes (self-paced)
- eLearning

People with disability often face societal, environmental/physical, attitudinal, and communication barriers.

This course examines what these barriers are and how we can all work towards removing them.

The Landscape of Disability in Australia

- 20 minutes (self-paced)
- eLearning

Disability support and the way disability is viewed in Australia has changed over time.

Course 4, the last module, chronicles the history of disability in Australia, how it has changed and what people with disability are looking for when it comes to support.
