NDS Workforce Essentials eLibrary

UPDATED: JULY 2022

Overview

NDS and etrainu have partnered to bring together a comprehensive library of eLearning assets focused on **building the capability of disability services providers** to meet the high quality, safe supports and service standards that people using disability services should expect.

Organisations and individuals are invited to access this content under a flexible and cost-effective licensing agreement, offering service providers an affordable solution to sourcing and deploying online training.

A sample of the over 100+ learning assets included in this eLibrary is provided below.
